

Anthony Arias

Software Engineer

 +(506) 60819614  anthonyariasr@outlook.com  linkedin.com/in/anthonyariasr/  Costa Rica

Summary

Skilled web developer with over 3 years of experience in HTML, CSS, JavaScript, and Python. Familiarized with building responsive, user-friendly web applications using React and TailwindCSS. Proficient in SQL for efficient database management and experienced in collaborating with cross-functional teams to deliver projects on time. Passionate about solving complex problems, developing scalable solutions, and improving user experiences.

Experience

Software Engineer

Growth Acceleration Partners

2022 - 2024

- **Developed Responsive Web Content:** Designed and coded visually appealing, mobile-friendly emails using HTML and CSS, ensuring cross-platform compatibility.
- **Database Management and SQL Queries:** Managed and retrieved data through SQL queries, working efficiently with databases to support application functionality.
- **Full-Stack Web Development:** Built reusable web components and interactive user interfaces using JavaScript for frontend development, while implementing backend APIs with Python to support seamless web applications and services.

Software Developer Intern

Golabs

2018

- **Cross-Platform App Development:** Developed modular app components using the Ionic framework, ensuring seamless cross-platform compatibility for both iOS and Android.
- **Streamlined Data Management:** Built a custom report generator with Vanilla JavaScript to simplify data handling and automate reporting processes.
- **Performance Optimization:** Enhanced app performance and user experience through efficient coding practices, testing, and continuous optimization.

Education

Bachelor in Computing Engineering

Instituto Tecnológico de Costa Rica

2020 - Present

Technical Degree in Software Development

Colegio Agropecuario de San Carlos

2016 - 2018

Technical Skills

Languages: HTML, CSS, JavaScript, Python

Frameworks: React, Ionic, FastAPI, Flask

Databases: SQL, PostgreSQL

Tools: Git, Docker

Soft Skills

Problem-Solving

Communication

Critical Thinking

Adaptability

Creativity

Languages

English (Advanced)

Spanish (Native)
